

All CoreLed Systems, LLC Luminaire lens are designed and manufactured in the USA.

- Lens Description: 11x5 T5 OPTIC PLATE
- Lens P/N: 52101
- Lens pattern: SQUARE
- Photometric Data: Contact CoreLed for IES files
- Mechanical Specification: Contact CoreLed for part drawing

Emitter name: OSRAM – Oslon SSL 150 Colors

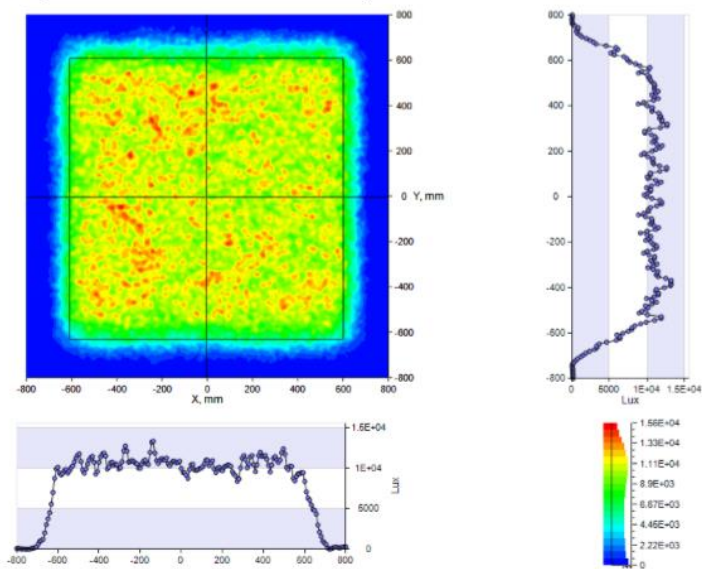

Emitter P/N: Q65111AXXXX

LED-to-LED spacing 16mm

- Design to be used in Grow light applications.
- Type V Square (45° – 50°) pattern.
- High Uniformity of light flux on target surface
- Good color mixing achieved by with optimized with LED layout.

2 ft Mounting Height

86% Efficiency
